

# CELEBRATING STUDENT EXCELLENCE

The Halton Catholic District School Board recently held its 30th Annual Student Awards of Excellence Ceremony. The Student Awards of Excellence are presented to a student from each elementary and secondary school who has demonstrated outstanding qualities in Catholic leadership, family commitment, involvement in school affairs and community activities.

**Benjamin Christopher Sabourin**  
*Christ the King Secondary School*

Benjamin is a strong, enthusiastic and articulate leader whose contributions to the Catholic school community have significantly enhanced community relations and created a positive and welcoming environment for his peers. Benjamin's involvement in Student Council, Student Senate, the Mentoring Program and various other initiatives, as well as his commitment to his family and faith, set Benjamin apart as both a leader and role model for others. He competed at OFSAA.

**Sarah Colavecchia**  
*St. Catherine of Alexandria School*

Sarah has been selected as our school's recipient because she consistently leads her peers by example, confidently encouraging others to get involved in school activities and to try their best in all they do. She develops and maintains positive relationships with peers and teachers and is committed to her family responsibilities. Sarah demonstrates excellent academic achievement and continually embraces her faith, actively living her life in light of Gospel values.

**Meaghan DeVera**  
*Holy Cross School*

Meaghan is a caring, compassionate and confident young lady, who exhibits our core Catholic values in any interaction that she has with staff, student or visitors to our school. She demonstrates these same core values as a role model for her younger sister and a friend to her older sisters. She attends Holy Cross Church on a regular basis and is eager to actively participate in liturgical celebrations at school. Meaghan strives to do her best in all she does, whether academically at school, as a participant in school sports or as a member of her competitive dance team.

**Grace Dale**  
*St. Francis of Assisi School*

Grace models Christian leadership through her daily interactions with others, while participating in numerous aspects of school life including student council, sports teams, peer mentorship and being actively involved in Holy Cross Parish. Grace is committed to making St. Francis of Assisi School a better place through service to others, and values an inclusive learning environment, where all of her peers and teachers are treated with dignity and respect.

**Rosalba Sgambelluri**  
*St. Brigid School*

Grounded in our Catholic faith and supported by a loving family, Rosalba embraces each day with determined commitment towards excellence in her academic achievement, her contributions to her school community and most particularly, when she is faced with a challenge. Led by an acute awareness of the strengths and needs of others, she graciously includes everyone and judges no one. She has a gentle and positive impact on all those with whom she interacts.

**Abigail Scott**  
*St. Joseph School*

Abigail Scott acts as a role model to her peers, consistently maintaining a positive attitude and putting forth her best effort in all she does.
