**Summer safety tips from Halton Region**

Summer is a great time to get out and explore Halton, but remember to practice summer safety! If you're heading outdoors for the day, check the forecast before you go and dress appropriately. You can also sign up to receive heat and air quality warnings directly to your phone or other mobile device. If you are hosting a BBQ or picnic, remember to follow these steps when preparing food: clean, separate, cook and chill. To learn how Halton Region can help you make safe choices this summer, visit [halton.ca](http://halton.ca) or call 311.

**Georgetown CIBC employee retires after 41 years**

Janice Kouyoumjian has been serving the Georgetown community for 41 years.

A financial adviser for CIBC in the Georgetown Market Place, she says she has met and formed relationships with so many people over the years, making

her decision to leave a difficult one.

"It's definitely bitter-sweet. I've really enjoyed working here. My clients are my friends, so it's tough to leave them," she said. "This is such a big part of me."

But, she adds, she is looking forward to what the

future holds.

"I have six grandchildren that I plan on spending more time with," she said.

Friends and customers are stopping by the branch at 280 Guelph St. on June 29, to say their goodbyes and reminisce over treats and refreshments.
