5 updates about Georgetown Hospital

Halton Healthcare releases annual report on local hospital milestones

Kathryn Boyle/Metroland

ALEXANDRA HECK
aheck@metroland.com

On Aug. 9, community members are invited to participate in Georgetown Hospital's Patient and Family Advisor open house.

Each year Halton Healthcare releases a report updating the community on developments at their hospitals in Oakville, Milton and Georgetown.

Here are five highlights about the Georgetown Hospital in the report.

1) The Georgetown Hospital Foundation has raised enough money through their Project X campaign to purchase a mini c-arm, a portable X-ray unit and a

digital X-ray machine. They have a fundraising goal of \$1.5 million this year.

2) C difficile infection rates are below the provincial average across the Halton group of hospitals and hand washing rates are 80 per cent in compliance.

3) Halton Healthcare made a profit of \$1.7 million in 2017, up from \$1.4 the pre-

vious year.

4) Accreditation Canada gave Halton Healthcare an exemplary standing rating in 2017.

5) Part of Halton Healthcare's strategic plan, Pathway 2020 includes capital investments in the emergency and Diagnostic Imaging departments at Georgetown Hospital.

Bridge the Learning Gap This Summer with the Math Experts

We help kids avoid the "summer learning loss" phenomenon and give them an edge for the next school year ... and beyond.

- Fun Math games/STEM activities
- Bring a friend along for the games
- Customized learning plan
- 17 flexible sessions July 1st to September 9th
