Georgetown BIA

Downtown Georgetown is a delightful place for our community to shop, eat, work and play. It is a thriving business area where outstanding restaurants, shops, professional offices and services abound. The heart of Georgetown plays host to a healthy schedule of events and festivals including the popular downtown Georgetown Farmers' Market, which brings fresh, locally grown produce to Main Street every Saturday morning from mid-June to Thanksgiving. When it comes to dining out, a variety of options from Chinese, Thai, European Cuisine and more are always just a short walk away! Downtown Georgetown offers dining at its finest and has something for everyone. From an evening of live music to a quiet patio and delicious cup of coffee, the quaint character of Georgetown's core gives it a special ambiance. It seems slightly concealed from the main roads and provides first-time visitors a sense of discovery, and a break from the urban sprawl most have grown accustomed to elsewhere.
