

# WE'VE GOT TINNITUS RELIEVING TECHNOLOGY!

It might sound counterintuitive, but an effective method for managing tinnitus involves adding sounds to the noise you already hear. Millions of people worldwide experience tinnitus, including many with hearing loss. The fact is, just wearing a hearing aid can help relieve tinnitus. Many hearing aids today have technology that offers a range of relief sounds that are customized to give the relief you need. Call North Halton Better Hearing Centre today and learn how we can improve your hearing loss and help alleviate your tinnitus symptoms.
