## STRUCTURE FIRE ON TRAFALGAR STARTED IN TRUCK OR CAMPER

Halton Hills Fire Department was called to the scene of a structure fire on Trafalgar Road, where a truck, camper and shed were ablaze.

At about 3 a.m. on Monday, Sept. 17, neighbours noticed

flames shooting up from the shed at the residence, and the fire department worked for about two hours to put out the fire.

"It was a fire that started in an unoccupied trailer," said Det. Mike Maltar with the Halton Regional Police, adding that it was "determined to be an accidental

start."

The fire marshal was not called out, as the home was unaffected.

Halton Hills Fire Chief Harry Olivieri said the fire started somewhere in between the camper and the truck that it was connected to, which were sitting in the driveway.

The fire quickly spread to the shed behind, which the department estimates caused over \$200,000 worth of damage.

"At the time of the fire, there was no one home," said Olivieri, who left the property in the hands of HRPS to contact the owner when they finished around 10 a.m.
