

In Loving Memory

G. Keith Vaters. July 20, 1960 to Sept. 18, 2018. Died tragically at the age of 58, while doing what he loved; spending time at his cottage. Leaving to mourn his loving wife Robynne, daughter Christina, (Jordan), daughter Chelsea, (Will), stepsons, Nic and Jordan Spence, brothers Claude, (Eileen), Glen, (Rose), sisters Gail (Ches Hamlyn), Karen (Cyril Squires), Gloria, (Harvey Strickland), and Debbie (Fred Crummey) plus many nieces, nephews and friends. Predeceased by his loving parents, Gerald and Lorraine Vaters. Born in St. John's Nfld, Keith began his career as

a marine engineer. He moved to NS in 1986 and then on to Ontario in 1987, settling in Georgetown. In 1989 Keith opened Asbuilt Mechanical, which later became known as Asbuilt Comfort Care. The business flourished in Georgetown and Asbuilt trucks became part of the landscape of Georgetown. Keith had many hobbies including, renovating and building, rebuilding cars, fishing with his dogs (fish on), snowmobiling, and hanging out with his family and friends at his beloved cottage at Riley Lake. Keith was a maverick and an adventurer whose love of life and fun loving ways were legendary. He mentored many and was an excellent teacher in his trade and in life. Keith could fix anything and at the same time cook a gourmet meal. He was a doting son and a generous soul whose personality and charisma could fill a room. Outspoken and quick witted, Keith was held in high regard not only for his love of his wife, family and friends, his unmatched sense of humor and incredible work ethic, but also for his ability to turn the ordinary into the extraordinary. He was a big man with big vision and he worked his life to build that vision. Keith's two daughters, Christina and Chelsea, were his pride and joy. The true love of his life, Robynne, is someone in whom he shared all his pursuits. There will never be another Keith.
Rest in Peace.

The memory of Keith will be carried on by his family through his business, Asbuilt Comfort Care will remain in business. Please contact Jeff for any questions or concerns 905-877-8023.
