## COMMUNITY

### VIRTUAL REALITY

Hayden Surette, 12, tries out the virtual reality system at the Georgetown Public Library, where he embarked on an exciting virtual journey as an aerial firefighter working to keep the city safe. This was one of many activities on offer during Saturday's 'Adrenaline Experience' at the library, where kids could try their hand at defusing a bomb with a team in Keep Talking and Nobody Explodes, dodge bullets in Super Hot or venture into nightmare mode in Richie's Plank Experience.
