A recent study conducted by media and lifestyle brand Civilized and PSB Research reveals the Canadian demographic most likely to smoke a spliff.

HDSB RELEASES RESOURCES FOR PARENTS REGARDING CANNABIS LEGALIZATION

Oct. 17 marks the first day of cannabis legalization in Canada and the Halton District School Board has provided a set of online resources to aid parents and guardians in having the necessary conversations with their children.

The HDSB reminds parents and students that, like alcohol and tobacco, is still

illegal for those under 19 years of age to use, possess or grow recreational cannabis.

In addition to this, it is also illegal for a person of any age to use cannabis at school, on school grounds and in all public areas within 20 metres of school grounds; on children's playgrounds and public ar-

reas within 20 metres of playgrounds; and in child care centres or where an Early Years program is provided.

To access the HDSB resources, visit <https://www.hdsb.ca/students/Pages/Health%20and%20Well-Being/Cannabis-and-our-Schools.aspx>.
