## Stay healthy this flu season

The best way to protect yourself, your family and your community from the flu is by getting your annual flu shot this fall. There are many ways to get your flu vaccine in Halton – residents can visit a local pharmacy, family doctor or a nearby walk-in clinic. Children under five can only receive their flu shot at their doctor's office. For general information about the flu and the flu vaccine or to sign up for weekly influenza updates, visit [halton.ca](http://halton.ca).

Students at Limehouse Public School get ready to bite into their apples.

# HALTON HILLS STUDENTS PARTICIPATE IN THE GREAT BIG CRUNCH 2018

Students at Limehouse Public School took a bite of their apples in unison, following a countdown led by their teachers on Oct. 25.

The elementary school was one of 19 schools in Halton Region that participated in Halton Food for Thought's The Great Big Crunch 2018.

The annual initiative

teaches students the importance of healthy, local eating, with all apples provided by Drummond Farms in Waterdown, Ont.

As part of The Great Big Crunch, local schools engage in a month-long plan to educate students, using a number of resources provided by Halton Food for Thought.

In Halton Hills, Acton District High School, Christ the King Secondary School, St. Joseph Catholic Elementary School and Pineview Public School also joined the initiative.
