'FULL HOUSE' THE GOAL AT HILLSVIEW CENTRE, WRITES FLORENCE RIEHL

"Full House" are the words we like to hear when we run events at the Hillsview Active Living Centre, Georgetown. Such was the case at our recent Fall Fashion Show. Our thanks to all who made this happen - our models, Alia Tan/Jay and Northern Reflections, set up people, those who baked cakes and the cleanup team.

It's hard to believe Christmas is just around the corner. Our annual Christmas Bazaar on Saturday, Nov. 17, 8 a.m.-1 p.m. is the beginning of our Christmas activities. It is a big event and takes many helping hands to lighten

the workload. Thank you to all who took part in whatever capacity.

The Wednesday drop-in group, Mingle and Chat, is holding its annual auction on Wednesday, Nov. 28 at 10 a.m. Bring a gift of \$5 value and let the fun begin. You just never know what treasure you may take home.

Back by popular demand is our Christmas buffet dinner with all the trimmings. It will be served up on Monday, Dec. 10 at noon. Sign-up is at reception. Please call 905-877-6444 for further information.

Seems like this Christmas season is once more the season to be indulging in wonderful food. What a variety of food you can savour at the Mingle and Chat Pot Luck Lunch on Wednesday, Dec. 15 at 10 a.m. Bring your favourite entree, lunch or dessert and enjoy lunch with your friends. No one will go hungry!

What better way to celebrate Christmas than with an after-

noon of fun as we take part in the "secret Santa" program on Tuesday, Dec. 18. You will need to bring a wrapped gift with a value of \$10. Without knowing what is in each bag we try to retrieve a bag we think holds something valuable. Loads of laughs! Come out and join us.

An invitation to all reading this article and are not members. Why not drop in and see what life is about at the Hillsview Active Living Centre, Georgetown.

We are located at Unit 9, 318 Guelph St. Our hours of operation are Monday to Friday, 8:30 a.m. to 4:30 p.m. Coffee is always on!

To those already members just a nudge to remind you annual fees are due Jan. 1, 2019.

Your centre will be closed from Monday, Dec. 24 until Wednesday, Jan. 3. Merry Christmas and Happy New Year to all!

## ... Lend Me Your Ears

### FOOD ALLERGIES MAY CAUSE EAR INFECTIONS

If your child suffers from frequent ear infections, and you can't pin point the cause, it may be something he/her ate. It's recently been found that food allergies may trigger ear infections, which left untreated can cause hearing loss.

The allergies create mucous congestion in the nose, which then flows into the tube connecting the nose to the ears. Eventually the tube gets blocked and infection causing bacteria grow.

To determine if food allergies are causing your child's ear infection have him/her tested. Once the troublesome food is discovered your physician can suggest alternatives. And take heart, kids often outgrow food allergies - and their tendency towards ear infections.
