

LIGHT UP THE HILLS IGNITION CEREMONY BRIGHTENS RAINY EVENING

It was an evening of both rain and shine for Halton Hills residents who gathered at one of three locations to watch the Light Up the Hills Ignition Ceremony on Dec. 1. Large crowds stood under umbrellas to enjoy treats and entertainment, awaiting the evening's main event: when the trees and displays would light up for the holiday season. In left photo, Light Up The Hills organizer Gerry Kentner, along with Santa Claus, dignitaries and local children, lead the crowd in singing 'O Canada'. Centre, Kiera McCarthy-Ovens, 4, is excited to meet with Santa Claus. In right photo, Santa Claus showed up with his sleigh to visit with children and help turn on the lights.
