Keeping Halton safe and healthy

Halton's Paramedic Services work around the clock to respond to medical emergencies in our community. With more than 270 paramedics attending 50,000 calls and transporting 30,000 patients annually, our paramedics continue to respond to the changing needs of our growing community.

There are many things residents can do to help. Learn cardiopulmonary resuscitation (CPR), how to operate a Public Access Defibrillator (PAD) or other life-saving skills at a community education course hosted by our paramedics. To learn more about how you can help keep Halton a safe and healthy community, visit halton.ca.

Christ the King's Sports Leadership class presents a \$15,000 cheque to CASHh's Julie Liddle, following the school's annual Pink Day fundraiser.

CTK DONATES \$15,000 FROM PINK DAY TO SUPPORT CASHH

Georgetown's Christ the King Catholic Secondary School has donated \$15,000 to Cancer Assistance Services of Halton Hills (CASHh), following its annual Pink Day.

The event, held to promote breast cancer aware-

ness, is headed by the school's Grade 12 Sports Leadership class each year.

Students from all grades are invited to purchase a shirt to support Pink Day, then participate in a pep rally - with all proceeds donated to a charity of the

school's choosing.

This year, the high school chose CASHh as the recipient of the funds, and on Nov. 22, a cheque was presented by the Sports Leadership class to CASHh's fundraising and campaign co-ordinator Julie Liddle.
