Lucille Halloran
(nee Trickey)

Born February 25th, 1933 passed peacefully surrounded by her family on December 15th, 2018.

Ross, David and Mary Jo along with their spouses Maryrose Coleman and Michael Knox are heartbroken to announce the passing of their wonderful Mom to Alzheimer's Disease.

Lucille was an incredible Mom and had a very special relationship with each of her 3 children. She was the adored and fun Grandma to Samantha and Jackie Halloran Cooper and Bradley, Matthew and Jennifer Knox.

Lucille was the loving and devoted wife of the late Joseph Halloran

(2006) for 46 years. Lucille was a supportive and caring sister to the late Vivian and Ross Lowrie, Bob and Patricia Trickey and is survived by Ruth and Paul O'Neill. Lucille will be happily remembered by her many nieces and nephews and wonderful family friends.

Along with Lucille's career in nursing and volunteerism, she had many special talents from sewing, decorating, refinishing furniture, cooking, and various entrepreneurial projects all to help provide the extras in our life and make our homes and cottages a place where everyone was welcome to enjoy many special times together.

We are very grateful for the exceptional and professional care our Mom received at Extendicare Care, Halton Hills. Alzheimer's is an absolutely horrible disease so in lieu of flowers, for those who wish, donations can be made in Lucille's memory to Alzheimer.ca

A Funeral Mass will be held on Thursday, December 20th, 2018 at 11:00 am, Holy Cross Catholic Church, 14400 Argyll Road, Georgetown, Ontario. Reception to follow. To send expressions of sympathy visit

Our Mom and Grandma will always be remembered for her quick wit, sense of humour and as the straw that stirred our family drink.

Peter (Kristy) Beattie
September 1976 - December 23, 2001

Looking out the back window last night, I remembered that time when you were a young adult, and you thought it would be a great idea to lie out there on the back patio, shirtless, and let your friends take turns running over you with a bike. (It may have been fueled by lots of beer and trying to imitate a WWE wrestling stunt).

I remember my motherly concern and irritation as I yelled through the window; "Who does that?! What is wrong with your brain?! Pete, get up, you are going to get hurt! Stop running over my son!!" But none of them heard me because they were all laughing so hard. I also remember the tire tracks that marked your body which you "wore" as a "badge of honour" for weeks.

"Who does that?" My crazy beautiful son (with no common sense) does.

We miss you badly Pete.
Love Always,
Mom and Soon

*Verse 4
Loving and kind in all her ways,
Upright and just to the end of her days,
Sincere and true, in her heart and mind,
Beautiful memories, she left behind.*

That man is a success -
who has lived well,
laughed often and loved much;
who has gained the respect of
intelligent men
and the love of children;
who has filled his niche
and accomplished his task;
who leaves the world better
than he found it;
who has never lacked appreciation
of earth's beauty
or failed to express it;
who looked for the best in others
and gave the best he had.

I miss you Dad!

Love always, Lynn

I wish that I could talk to you
There's so much I would say
Life has changed so very much
Since you went away.

I miss the bond between us,
And I miss your kind support.
You're in my mind and in my heart
And in my daily thoughts.

I always feel you close to me and
wish that you were here.

We have many memories of your
love, laughter and courage.

Mom, please know I was holding
your hand when you took your last
breath.

Love Bev and Paul, grandchildren
and great-grandchildren.

**In Loving Memory of

Merry Christmas to the most
amazing Husband, Dad and Nunu.

It's our second Christmas without you,
but we all know you are now in a
special place not far from all of us.

Joe you made all of our lives so very
special. You will never be forgotten,
but cherished and loved from year
to year .

Nunu,
We still think of you so much and
know you walk beside us every
single day. We see many cardinals
and you come and visit us from
Heaven above.

I know in spirit you were with me in
Las Vegas for my 21st, something I
will treasure and all the talks we had.
My dream came true thanks to you.
We wish that we can talk to you,
there is so much we would love to
say. Life has changed so much since
you went away.

Special cheers to you from all of us.
We raise a glass of Jack and Coke to
you. Ride in Heaven.

Merry Christmas,
Love from your family

*Those we love don't go away,
They walk beside us everyday.
Unseen, unheard, but always near,
Still loved, missed and very dear.*

Lovingly remembered by
Wife Anne, Son Dale and Family.

**To our loving
parents,
Edwin and Maria
Boxall**

Take our teardrops and
wrap them in much love,
and ask the wind to carry them
to Mom and Dad above.

Miracle are very rare
but for Christmas one would do,
to hear the door bell ring and have
you both walk smiling through.
You left us such happy memories
that there is a special place
in our hearts no one can fill,
missing you both and always will.
Love your family ~ Merry Christmas.

WE WOULD LIKE TO
EXPRESS OUR
SINCERE
condolences
TO THOSE WHO HAVE
LOST LOVED ONES.
