**THE CORPORATION OF THE COUNTY OF WELLINGTON**  
Engineering Services Department  
Roads Division  
Requires a  
**Construction Manager**

The Construction Manager is accountable to the County Engineer for all aspects of capital construction and rehabilitation activities related to the County Road System, including the continual review and assessment of construction and rehabilitation methods.

- The minimum qualifications for this position include:**
- Four year university degree in Civil Engineering.
  - Registered as a Professional Engineer with Professional Engineers Ontario.
  - Minimum seven years of experience or equivalent in municipal engineering.
  - Technical skills and background in municipal practices related to standards and specifications, pavement design, traffic safety, structures, geotechnical, tenders and contracts, construction, project management, stormwater management, drainage and asset management.
  - Highly developed interpersonal and communication skills (verbal and written) with ability to communicate at all levels of the organization and proven abilities in negotiation, conflict resolution, and customer service.
  - Proficiency in all aspects of Microsoft Office and working knowledge of computer programmes and applications related to municipal engineering.
  - A valid driver's licence (minimum G2 Class) and access to a reliable vehicle.

**This position offers a comprehensive benefit package and a salary range of: \$106,888.60 to \$125,015.80 (2019 Non-Union Compensation Grid), based on a 35 hour work week.**
