

# INTRODUCING THE WORLD'S SMALLEST RECHARGEABLE HEARING AID

## Recharge. Relax. Repeat.

The world's smallest rechargeable hearing aid is now here! With a full charge in under 4 hours, our hearing aids will keep you hearing all day - **with no interruptions**. Our rechargeable hearing aids are so discreet, no one will notice you're wearing them. Now you can have comfort, style and convenience all in one package, perfect for your on-the-go lifestyle.

### Try before you buy!

At Halton Audiometric Centre, we are committed to your hearing healthcare. To find out if hearing aids are right for you, come in for a complimentary assessment and try the latest digital hearing aids risk free!

**Call 905.877.8828 to schedule your one-on-one preview today, or visit [www.haltonaudiometric.com](http://www.haltonaudiometric.com) for more information!**

For over 25 years, we've been helping the hearing impaired improve their hearing - and quality of life by providing the most professional, personalized, state-of-the-art hearing health care.
