COMMUNITY

ADULT LEARNING CENTRE TAKING WINTER PROGRAM REGISTRATIONS

Do you need to upgrade courses for college entrance?
Do you want help preparing for the GED test?
Do you need to learn basic computer skills for work?
Your local Adult Learning Centre offers adults the opportunity to improve their skills for employment and further education/training. We offer a supportive adult learning environment in a small class setting.

ACL/photo

Three programs are available to adults who wish to learn part time:
Sheridan ACE Program/GED Preparation Program

Our part-time classes in English, math and science are offered on Tuesday and Wednesday evenings in Georgetown and Milton. Earn Grade 12 college-level equivalency credits or prepare for the GED.

Computer Skills for Work Program
Learn with a small group to master basic computer skills and access online learning. These classes are suitable for adults who are either looking for work or are already employed but require basic computer skills in order to keep up or advance. Classes offered in Georgetown, Milton and Acton.

Adult Learning Centres gives adults the opportunity to improve their skills for employment.

Adult Tutoring Program
This is offered to adults who need to upgrade their skills in reading, writing and/or basic math up to the Grade 9 level. Classes are offered in a one-to-one or small group format in Georgetown, Milton and Acton.

All students will be asked to attend a confidential assessment to determine suitability. Tuition is free. A small resource fee applies.

Register for an information session at www.lnhadultlearning.ca or call 905-873-2200.
