

Halton Highlights February 2019

2019-2020 Halton Region Guide & Waste Collection Calendar

Check your mailbox for this year's copy of the Halton Region Guide and Waste Collection Calendar. This annual resource is your guide to the many Regional programs and services that residents rely on.

The 2019-2020 guide includes:

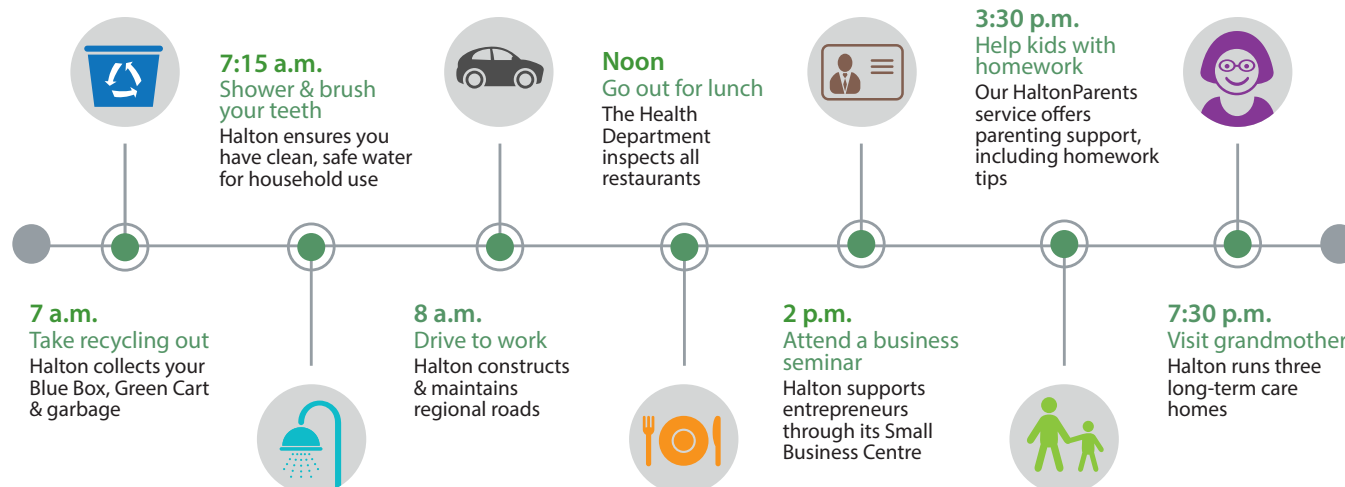

- your household's weekly collection schedule from February 2019 to January 2020;
- information on how to use our waste programs and services;
- waste reduction tips and lists of acceptable items;
- details about how to access other Regional programs and services; and
- information on Regional Council and strategic planning work underway.

You can also manage your waste online or from your mobile device. Sign up to receive weekly waste collection reminders, find your collection day, and learn about acceptable items at halton.ca or download the **OneHalton app**.

Keeping property taxes low with Halton's 2019 Budget

Halton's 2019 Budget ensures value for taxpayers while we prepare our strategic plan for this term of Council. It invests in resident priority areas and it is based on prudent, forward-looking financial planning principles that will help maintain our strong long-term financial position.

The 2019 Budget continues our 12-year track record of keeping property tax increases at or below the rate of inflation. It includes a 1.9 per cent increase to support investments in Regional programs (such as waste management, Paramedic Services, Services for Seniors and community health and social services) and transportation infrastructure. It also includes a 3.7 per cent rate increase for services to support a state of good repair for water and wastewater infrastructure.

The 2019 Budget will help preserve the high quality of life in Halton. To learn more, please visit halton.ca.
