ADOPTABLE PETS OF THE WEEK...

Rory and Sherlock, bonded companions

UPPER CREDIT HUMANE SOCIETY

Sherlock is a five-year-old handsome silvery grey long-haired cat who came in to us with his companion Rory, a four-year-old female tabby. They spend all their time together and as a bonded pair, they must go to their new home together.

Please come to the shelter to meet Sherlock and Rory, where the staff will be more than happy to tell you about them. They are microchipped and come with 30 days of pet health insurance.

The Upper Credit Humane Society is located at 5383 Trafalgar Rd. N. and is open to the public every day, including

weekends, from 11 am to 5 pm, where you can meet the animals in our care who are looking for new homes. Our thanks to all the volunteers and donors, and the kind hearts of those who come to adopt.

Digby - No more bad hair days

BARB JOHNSON

Digby isn't looking his best. He was taken into NHKR with golfball size hair mats which required shaving, except for his face. When his coat grows out he will have luxurious long hair that will require regular grooming. Digby is estimated to be six years old, a mature and dignified cat - no climbing curtains for him. Although he was found outside he prefers the comforts of indoors.

He is an affectionate cat when he feels so - head butting and body positioning convey his message. And he can be coaxed into receiving attention with cheek rubs or scratches behind his ears. Digby enjoys being held to see birds outside but squirms to be let down if held too long.

His nails are easily trimmed when combined with scratches and long stokes down his back. He is not a picky eater and is tidy with his food area and litter box.

Digby had health issues when he arrived. His gums were inflamed and very sore, requiring a full dental extraction which has not hampered his eating whatsoever. He also had a

stubborn upper respiratory infection. Healthy food, medication and reduced stress have assisted his recovery.

He must have encountered dogs somewhere in his life as he has no concerns about meeting them. Digby is relaxed and social with other cats of all ages - he dismisses confrontations by walking away. He is a social cat and would enjoy other pets in his home.

Digby and Emmy will be available for adoption this Sat. at Pet Valu, 375 Mountainview Rd South from 2:00-4:00. The \$160. cash adoption fee includes: vaccinations, parasite treatments, spaying, microchip and a bag of food. For more information visit www.NHKR
