

## POLICE INVESTIGATING INCIDENT IN ACTON

Halton regional police are investigating an incident that took place around 10 p.m. on April 20.

Halton emergency services personnel responded to reports that a man had fallen and struck his head near the intersection of Mill Street and Frederick Street in Acton.

When EMS arrived, they found the man unconscious and in medical distress.

A 48-year-old man was transported by ambulance to hospital where he remains in critical condition.

The circumstances surrounding the incident remain under investigation.

Halton police have asked anyone with information regarding the incident to contact Det. Sgt. Ellie Bale at 905-825-4747 ext. 2415 or the on-duty staff sergeant at 905-825-4747 ext. 2410.

## ROAD PROJECTS EXPECTED FOR SUMMER 2019

Construction season is just around the corner and Halton Hills residents can expect resurfacing and reconstruction projects.

This year, the Town of Halton Hills will focus on upgrading roads in Georgetown.

"The Town of Halton Hills is continuing its efforts to keep our roads in good repair," Mayor Rick Bonnette said in a prepared release. "I recognized the disruption that comes with this type of construction but continual investment in our infrastructure is one way we manage our assets and extend their longevity." The following streets will have minor reconstruction and resurfacing completed this season:

- Barber Drive - From Mountainview Road South to Argyll Road

- Cedarvale Court - From Edward Street to end

- Edward Street - From Guelph Street to Margaret Street

- Lane Court - From Delrex Boulevard to end

- Margaret Street - From Edward Street to Pauline Street

- Pauline Street - From Delrex Boulevard to Margaret Street

Some disruptions are to be expected by residents of - or near - road projects. In the event of delays residents will receive a hand-delivered notice from the town explaining the delay. More information, including information about construction concerns, is available at [www.haltonhills.ca/roads](http://www.haltonhills.ca/roads).
