Erin Student admitted to Harvard Law School
Courtney Jones

It is with great pride that Dr. Robert and Krista Jones announce the graduation of their daughter, Courtney Jones, from the University of Toronto with a Bachelor of Commerce degree and her admittance to Harvard Law School Class of 2022.

Although Courtney maintained a perfect 4.0 grade point average at the University of Toronto and achieved an LSAT score in the top 1 per cent worldwide, the competition is fierce with over 7,500 qualified applicants competing for 560 spots at HLS. Courtney credits the teachers and staff at Erin Public School and Erin District High School for the incredible efforts they put in to ensure that all students are well prepared with a solid academic foundation on which to build their dreams.

Congratulations and Good Luck!

Not a day passes by Mom that you don't cross my mind. Not all of you departed when you left earth behind, for in my heart there is a place that only you can hold. Filled with our loving memories I care for more than gold. I know that you still hear me Mom, so please know this is true, that everything I am today is all because of you.
