# HALTON HILLS MCHAPPY DAY RAISES OVER \$11K

MELANIE HENNESSEY  
mhennessey@metroland.com

Local residents were lovin' it for a good cause on McHappy Day (May 8), with more than \$11,000 being raised at McDonald's in Georgetown and Acton.

During the 26th annual fundraiser, \$1 from every Big Mac, Happy Meal or hot McCafé beverage sold in Halton Hills went to support Ronald McDonald House Children's Charities (Toronto house) and the Georgetown Hospital, with the funds being divided 50/50. The local hospital will use the donation to purchase a Panda Warmer incubator, which provides state-of-the-art thermoregulation for babies.

Over 70 volunteers gave their time throughout the day at the Georgetown and Acton McDonald's, including Mayor Rick Bonnette, councillors, Georgetown Hospital Foundation board members and staff, physicians and local business people.

"The volunteers were amazing. Our crew and managers loved having them in

More than 70 volunteers turned out to support McHappy Day in Halton Hills. Here, (from left) Cheryl Cardon of the Halton Hills Chamber of Commerce, Michelle Hewitt from the Georgetown Hospital and the Club at North Halton's Melanie Frazer collect donations at the Georgetown McDonald's drive thru.

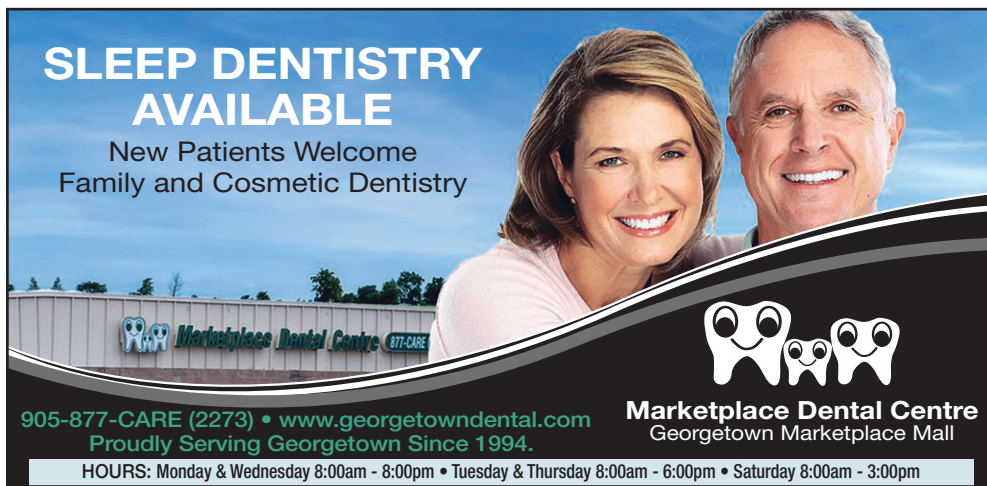

the restaurant," said Casey O'Connor, who owns the Georgetown and Acton McDonald's with husband Tim.

"Tim and I are blessed to have such a supportive and generous community."

Approximately 38 families in Halton Hills have used the Toronto or Hamilton Ronald McDonald House, which provides families a home away from home near their sick children who are in hospital due to premature birth, surgery, transplants, cancer treatment and more.

## Did you think incontinence was just a "woman's issue"?

Learn how physiotherapy can help men with Pelvic Health, including incontinence and pain after prostate surgery.

Incontinence can be dramatic following prostate surgery or radiation treatment. Men are alarmed by the immediate decrease in their quality of life that comes with being reliant on urinary pads throughout the day.

### Did you know?

The scientific research clearly shows that men who receive physiotherapy BEFORE and AFTER prostate surgery gain control of their bladder quicker.
