We are building a better Halton

Halton continues to make infrastructure improvements to meet growth demands and the expectations of the community. Whether installing new water mains, widening roads, or creating new bike lanes – we are building a better Halton everyday. There are now more ways to learn about improvements happening near you and to plan ahead for construction activity. Visit halton.ca to view construction webpages, use our new online interactive map or subscribe to get notices and timely updates by email.

Thank you for your patience and cooperation as we continue to build a better Halton.
