MAN CHARGED FOLLOWING STRING OF THEFTS FROM VEHICLES

A Georgetown man is facing numerous charges following an investigation into a rash of thefts from vehicles in town.

Throughout late May and early June, several unlocked vehicles were entered in the area of Trafalgar Road and Highway 7 and items were removed. Following the thefts, the thief made fraudulent credit and debit card purchases at local gas stations, police say.

"In the early morning hours of June 5, a Georgetown resident witnessed another theft in progress and notified police," said Det. Paul Harrower in a prepared release. "Uniformed officers swarmed the area and a male was taken into custody."

During the man's arrest, numerous credit cards and other stolen property were seized. A search warrant was executed at a residence in Georgetown and further property was seized.

Eldon Payne, 31, of Georgetown has been charged with multiple property crime-related offences, including theft under \$5000, fraudulent use of credit cards and breach of probation. The charges have yet to be tested in court.

Police are continuing to investigate further break and enters in the area that may be connected, and further criminal charges are pending.

"The Halton Regional Police Service would like to remind members of our community that crime prevention is a shared responsibility," said Harrower. "You can protect yourself from falling victim to these types of crimes by ensuring that valuables are removed from your cars and that your vehicle doors are locked at all times."

Anyone with information regarding these incidents is asked to contact Harrower at 905-825-4747, ext. 2491.

Tips can also be submitted to Crime Stoppers at 1-800-222-8477 (TIPS) or through the web at www.haltoncrimestoppers.ca.
