Halton's health department is expanding its inspection disclosure program to include settings such as licensed child care, public pools and spas..

Currently, local residents can access information about public health inspections at restaurants (Dinewise), along with offences related to food handling, infection prevention and control lapses, tobacco enforcement and beach water quality.

With recent changes to provincial public disclosure requirements, the health department is adding to the list of places that will have inspection results available

for local residents to see.

This includes:

NOTICE OF PARK NAMING REQUEST

Park Naming Request for "Henry Thomas Shepherd, M.B.E. Park".

The Town of Halton Hills wishes to notify the public, regarding a park naming request for "Henry Thomas Sheperd, M.B.E. Park".

The Town's Park Naming Policy CL-2012-001 allows residents, Council, and staff to request naming of parks or park elements to reflect significant local persons in place of the standard park name. Typically parks are named after the street on which they are located (i.e. Miller Drive Park).

In response to a resident request, Council approved in principle that the park located on Dayfoot Drive (Dayfoot Drive Park) be named "Henry Thomas Shepherd, M.B.E. Park" in honour of Henry Thomas Shepherd, M.B.E. a local resident of Halton Hills.
