*Sweet is your memory
Precious is your name
Deep in our hearts
You will always remain*

*Our hearts are full of memories
Which we gathered through the years
All the happy times we shared
Are treasured souvenirs*

We have your heart*

A TOXIC DECISION?

Of the more than 1,046 facilities reporting to the Toxics Reduction Program, 40 per cent intended to implement ways to reduce at least one toxic substance. Their initiative was commended by experts, who are against the program's cancellations. For the final instalment of *A Toxic Decision?*, a Torstar Community Brands multi-part web-exclusive series, we set out to discover how these facilities devised their plan and what impacts – if any – implementation had on their operations.
