It's about trust. Our relationship with our readers is built on transparency, honesty and integrity. As such, we have launched a trust initiative to tell you who we are and how and why we do what we do. This article is part of that project.

The Competition Bureau of Canada is now soliciting information from stakeholders on possible anti-competitive conduct in the digital economy. It is doing so to assess concerns that some digital giants might be tipping the scale in their favour, potentially impacting competition.

The undertaking is welcomed by traditional news media associations and businesses like ours, which have felt the effects of shar-
