

About the event

On Sunday, September 22nd, 2019, come out and ride in the "Tour of the Hills" cycling event to raise much needed funds for Cancer Assistance Services of Halton Hills (CASHh). This 1st annual, one day event takes participants through the picturesque countryside of Halton Hills.

There are 3 cycling routes available to choose from; 25 km and 40 km rides (novice cyclists) and a 100 km ride (avid cyclists). The ride will start and finish at the Trafalgar Sports Park in Georgetown. Aid Stations will be set up along the routes to provide refreshments as well as first aid and bicycle repair services. Safety of the participants is paramount, so we will provide 'pick up' vehicles and EMS services along the route to ensure participants safety. The event continues after the riders get back to Trafalgar Sports Park with a BBQ provided by Chicos BBQ and entertainment by the Transistor Radio Group. Everyone is invited to come join us at the park and enjoy the entertainment. This event was created not only to raise much needed funds but also to get the community involved in an event that is healthy, enjoyable, and challenging.

About CASHh

Cancer Assistance Services of Halton Hills (CASHh) delivers FREE community based practical care and transportation services to help those coping with cancer in the Town of Halton Hills.

These services support clients and their caregivers during the cancer treatment. The aging population means more clients and their caregivers turn to CASHh for these critical services.

Cancer Assistance Services of Halton Hills is not associated with any cancer organization nor do we receive any government grants to fund our services. Our services are funded locally from donations, fundraising events and the generous volunteers in the community.
