Once a week, according to Halton regional police, a crash occurs as a result of a driver running a red light in Halton Region.

Over a two-week campaign dubbed "Project Stop on Red," over 100 drivers were charged with running a red light.

Over the 14-day period:

- 92 individuals were charged with failing to stop at a red light
- Two individuals were charged with failing to stop at an amber light
- One charge of failing to yield to traffic at a red light
- One charge of proceeding before green light
- Eight charges of failing to stop at a red light - warning
- One charge of failing to yield to traffic at a red light - warning

The penalty for running a red light is a set fine of \$325, with three demerit points being added to a licence upon conviction.

On top of Project Stop on Red, Halton Region operates five red light locations in Milton and three in Halton Hills:

In the Town of Milton:

- Derry Road and Commercial Street/Santa Maria Boulevard
- Derry Road and James Snow Parkway

- Derry Road and Savoline Boulevard
- Derry Road and Trafalgar Road

In the Town of Halton Hills:

- 10 Side Road and Eighth Line

If vehicles are caught on camera going through - or failing to yield to - a red light, the registered owner of the vehicle will receive a ticket. Tickets will arrive in the mail or will be personally served. Motorists have 45 days to pay a mailed ticket and 30 days to pay a personally-served ticket.
