

# Halton Highlights

## October 2019

## Access to Regional services is one click, one tap or one call away

Halton Region contributes to a high quality of life in our community by providing Regional roads, community planning, waste management, water and wastewater infrastructure, public health programs, social services and more.

It's easy to connect with our programs and services, and we work to ensure you can access information, resources and support in the way that works best for you. To recognize Customer Service Week, we would like to highlight how you can contact us:

Visit **halton.ca** for information, resources and online tools and forms.

Download the OneHalton app to access services from your mobile device.

Follow us on social media for updates, tips and announcements.

Visit a Regional facility for in-person support.

Email us at [accesshalton@halton.ca](mailto:accesshalton@halton.ca) or call 311 to connect with a customer service representative.

## Help prevent wind-blown litter

We can all work together to keep our neighbourhoods clean! Here are some tips to keep in mind to help keep recyclables from blowing away on windy days:

- Put materials at the curb by 7 a.m. the day of collection, not the night before.
- Consider placing recyclables in a clear plastic bag for curbside collection.
- Place heavier items on top of loose materials.

These small actions can make a big difference in reducing our impact on the environment.

To find more tips, view your collection schedule or sign up for weekly reminders, please visit [halton.ca/waste](http://halton.ca/waste) or download the OneHalton app.

Keeping you informed by highlighting what makes Halton a great place to live.

Gary Carr, Regional Chair

## Make an informed decision this Federal election

Before you cast your ballot in the Federal election, I encourage you to learn local candidates' positions on issues that are important to people in our community. In September, we asked Federal election candidates what they would do to:

- invest in roads and infrastructure;
- confirm Regional and Provincial regulatory roles in the proposed CN truck-rail hub;
- address climate change and support community resilience;
- deliver universal access to broadband internet; and
- support safe, affordable and accessible government-assisted housing.

As we receive candidate responses, we will post them on our Federal election webpage. To learn more, please visit [halton.ca](http://halton.ca). Remember, your vote counts—make an informed decision on October 21!

### Meetings at Halton Region

1151 Bronte Rd., Oakville, L6M 3L1

Visit [halton.ca](http://halton.ca) for full schedule.

**October 16 9:30 a.m.** Regional Council

Please contact us as soon as possible if you have any accessibility needs at Halton Region events or meetings.

This page has been donated by this newspaper to communicate important information to Halton residents at no cost to taxpayers.
