Move over pizza, Halton Hills residents have a new favourite delivery item: samosas.

SkipTheDishes took a look at what residents of Halton Hills have been craving so far in 2019, and nearly 1,000 samosas have been ordered and delivered since the start of 2019. The list of most ordered items in Halton Hills in 2019 so far, may surprise residents:

Veggie Samosa - Spiced peas and potato in a pocket, often served with green chutney, tamarind chutney, or both, the vegetable samosa is the most ordered item, by a landslide, in Halton Hills.

Nearly 1,000 orders have been placed. At about \$0.85 per samosa, that's about \$850 spent on samosas in 2019.

Classic Quarter Chicken Dinner - White or dark meat? People ordered this dish more than 500 times. If you had a quarter for each quarter-chicken dinner ordered, you'd have earned \$128 so far in 2019.

Chicken on the Rocks - So far, residents have placed more than 400 orders for this

delicious Mediterranean dish. Who can resist spit-roasted chicken shawarma piled on a bed of rice and topped with a dash of hot sauce, shawarma sauce, and sprinkled with sumac.

The largest order so far this year from SkipTheDishes, was a \$200 order including tuna, salmon and red-snapper sushi alongside a bunch of other Japanese fa-

vourites. During Game 5 of the NBA finals, orders for sushi spiked by about 60 per cent. So, arguably, someone in Halton Hills loves sushi, basketball and treating their friends.

SkipTheDishes is an app, available for both iOS and Android, to order delivery or arrange pickup from dozens of restaurants in Halton Hills.

GETTING USED TO NEW HEARING INSTRUMENTS

Part 2

If you are having difficulty with the hearing instruments, or do not like the sound quality, discuss it with your Hearing Practitioner. Chances are there are adjustments that can be made to the instruments to accommodate your complaint.

Remember that you are not alone. There are millions of people with hearing loss, and as the Baby Boomers age, the numbers grow. It is nothing to be ashamed of, and there are many treatment options available to you in these modern times.
