Though I wish you could still be here with me...
You were the centre of my world.
You were one in a million to me...
You made me laugh,
you made me smile,
You were the love of my life.
You were a wonderful husband from beginning to end.
Now, I remember the happy and the hard times we shared together.
I will love you always and forever
I hold you in my heart.

- Love, Margaret

We Love You Dad
We miss you every day
Just one more time, we wish
We could hear your voice
Feel your big sloppy kisses
On our faces
Unfortunately life hasn't
Given us that choice
We all feel lost and dazed without you
Dad, your hugs and kisses will
forever be our happy place.
We love you and miss you!

- Love Heather, Beverley, and Hadrian
(may you be with Debbie in peace)

Evelyn Frerichs

Love Lives On

Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone.

Those we love can never be more than a thought apart, for as long as there is memory, they'll live on in the heart.

Love and Memories Endure

Forever loved,
Gary, Gail and Kevin, Kim, and Baron
