... Lend Me Your Ears

TINNITUS

Or ringing in the ears, does not cause hearing disorders, it may accompany decreased hearing and other ear symptoms such as pressure, unsteadiness or dizziness. Often, it occurs alone. Tinnitus arising from the inner ear frequently indicates more permanent and serious disease. Exposure to a sudden loud noise - a gunshot or explosion, for example results in tinnitus that subsides to a low level of ringing for an extended period of time. Disorders affecting the cochlea (hearing center) of the inner ear can cause tinnitus. To find out more about this common problem call...

WHAT'S ON

ARTISANS' ATTIC GROUP BACK TOGETHER FOR POP-UP SHOW

MELANIE HENNESSEY
mhennessey@metroland.com

The creative minds behind Artisans' Attic Gallery and Gifts are reuniting for a special pop-up art show.

The artists are set to present their new work at Williams Mill on Nov. 23 and 24.

The group previously operated the co-operative gallery in downtown Georgetown for more than two decades, but was forced to close

its doors earlier this year due to climbing rent costs.

Since then, the individual artists contributing to the collective have continued working in their home studios - and are ready to present their latest creations.

The pop-up show will run in the Parkside room at Williams Mill from 10 a.m. to 9 p.m. on Nov. 23, and 10 a.m. to 5 p.m. on Nov. 24.

The artists contributing to the show include: Jane Altobelli, Karen Caissie, Renee Fukumoto, Susan Kerr, Laura Kingsbury, Susan Little, Mary Meredith, Margaret Searle, Susan Pippy, Amber Van Anandel and Jan Zimmerman.

The women will be presenting new original water colour, oil and acrylic paintings, limited-edition prints, functional and decorative pottery, jewelry, stained glass, papier-mâché, weaving, doll sculpture, fibre arts and more.

Williams Mill is located at 515 Main St., Glen Williams.
