MacCOLL, Carolyn Louise
January 26, 2020

A year has already passed but it just feels like it was only yesterday, kissed you and told you that I love you. So, for now, I will hold you in my heart until I can hold you in Heaven.

Miss you, Babe.

Just a thought of sweet remembrance
just a memory sad and true.

Heavy are our hearts today, memory brings you back once more, to the time when you were with us, to the happy days of yore.
