JOB FAIR

MetriCan is a privately owned, North-American Tier II automotive supplier, with over 800 employees in Canada, the US and Mexico.

We are excited to announce that we will be hosting an onsite job fair. Details are as follows:

Date: Friday January 31, 2020
Time: 12:00pm – 4:00pm
Location: MetriCan Stamping Plant
(1380 Artisans Court, Burlington, ON L7L 5Y2)

30+ opportunities available across the following positions:

- Machine Operator
- Stamping Press Operators
- Forklift Drivers & Material Handlers
- Warehouse Packers
- Robotic Weld Technicians

Shift opportunities available:

- Straight shifts (Days, Afternoons & Nights)
- 2-week rotating schedule (Days & Afternoons)
- Weekend Shift

Employment offers Dental/Healthcare benefits, participation in a pension plan, advancement opportunities and the chance to be part of a growing team committed to continually being an innovative player in the automotive industry.

Please bring your cover letter/resume/references to the job fair **and** RSVP by sending an email with your full name, telephone number and a copy of your resume to hbur@metrican.com

Support Local

Support farmers by buying locally grown produce.

Purchasing sustainably grown produce helps to reduce the environmental impact caused by long-haul food items.

Waste Less, Compost More

Roughly one third of waste that enters Canada's landfills each year is composed of organic materials.

If each Canadian committed to composting a portion of their waste each year it could assist in reducing waste and lowering emissions.

One Degree at a Time

Keeping your thermostat above room temperature in the summer, and below room temperature in the winter can help reduce the effect your home has on the environment while helping reduce your energy costs.
