Heavy are our hearts today, memory brings you back once more,
to the time when you were with us, to the happy days of yore.

Time may heal the broken-hearted, time may make the wound less sore;
but time will never stop the longing for the loved one gone before.

Always so good, unselfish and kind, none on this earth your equal I'll find. Honourable and true in all your ways, loving and faithful to the end of your days, honest and liberal, ever upright, just in your judgment, always right; loved by your friends and all whom you knew, one in a million, that person was you. One year has passed, our hearts still sore, as time rolls on we miss you more; a loving person, tender and kind, what beautiful memories you left behind.

Loving and kind in all your ways, upright and just to the end of your days; sincere and true, in your heart and mind, beautiful memories, you left behind.

May the winds of love blow softly
and whisper so you'll hear;
we will always love and miss you
and wish that you were here.

Just a thought of sweet remembrance just a memory sad and true,
just the love and sweet devotion of one who thinks of you.

OXBJORN, Kathleen

*In loving memory of a dear
mother who passed away
February 10, 2014.*

*You did so many things for us,
Your heart always
kind and true,
And when we needed
someone most,
We could always count on you.
The special years
will not return,
When we were all together,
But with the love
within our hearts,
You will walk with us forever.*

*Sadly missed and lovingly
remembered by:
Jeanette and Steve,
Joan, Bob and Marj
and loving family.*
