## Georgetown Lions Club Random Acts of Kindness

On a snowy day in February, the Georgetown Lions Club delighted patients at Georgetown Hospital with free parking passes, one of their Annual Random Acts of Kindness initiatives planned for 2020.

"Georgetown Lions Club provides service to the hospital in so many ways. Their first gift almost sixty years ago supported the original hospital construction and they are still helping by donating the proceeds from their annual golf tournament," noted Sandra Taylor, Executive Director, Georgetown Hospital Foundation. "Today's act of kindness of paying for hospital parking for patients and their families warms both our hearts and the hearts of our community."
