International
Women's Day

Celebrate March 8, 2020

International Woman's Day is an occasion marked by women's groups around the world. This date is also commemorated at the United Nations and is designated in many countries as a national holiday.

International Woman's Day is a global celebration for the economic, political and social achievement of women.

The participants appearing in this special feature salute the efforts of all women. As prominent business managers, owners, employees, individuals active in their communities, mothers and daughters - we invite you to learn a little bit about these incredible local women.
