*A sweet little flower, nipped in the bud, no grief or sorrow knew;
just came to earth to win our love and then to Heaven withdrew.
No stain was on your little heart, sin had not entered there;
and innocence slept sweetly on that pale white brow so fair.*

And have you gone,

forever gone and left us here to weep.

Till we are called to follow you, and in the grave to sleep;
yet since you could no longer stay to cheer us with your love,
we hope to meet with you again in the bright world above.
