We are Diesel Vehicle Specialists!

Fleet Maintenance/ Programs Available

## NEWS

# BELL TIMES CHANGING FOR MANY PUBLIC SCHOOLS

KATHY YANCHUS  
kyanchus@metroland.com

Bell times at 18 schools within the Halton District School Board will be altered come September.

Route efficiencies, safety concerns, and the board's efforts to streamline school hours with two, 40-minute nutritional breaks (instead of one 50-minute and one 40-minute break) at all elementary schools over the next couple of years, are behind the adjustments.

As of the start of the 2020/2021 school year, the following are the schools affected and the proposed hours:

**Silver Creek Public School:** 8:40 a.m.-3 p.m.

**EW Foster Public School:** 8:45 a.m.-3:05 p.m.

**JM Denyes Public School:** 8:50 a.m.-3:10 p.m.

**WI Dick Public School:** 8:15 a.m.-2:35 p.m.

**Ryerson Public School:** 8:40 a.m.-3 p.m.

**Tecumseh Public School:** 8:50 a.m.-3:10 p.m.

**John T. Tuck Public School:** 9:20 a.m.-3:40 p.m.

**Mohawk Gardens Public School:** 8:30 a.m.-2:50 p.m.

**Tom Thomson Public School:** 9:20 a.m.-3:40 p.m.

**Glenview Public School:** 9:20 a.m.-3:40 p.m.

**Maplehurst Public School:** 9:15 a.m.-3:35 p.m.

**Emily Carr Public School:** 8:30 a.m.-2:50 p.m.

**Munn's Public School:** 8:45 a.m.-3:05 p.m.

**River Oaks Public School:** 8:45 a.m.-3:05 p.m.

**Sheridan Public School:** 9:05 a.m.-3:25 p.m.

**Posts Corners Public School:** 9 a.m.-3:20 p.m.

**Dr. David R. Williams Public School:** 9:25

a.m.-3:45 p.m.

The only high school on the list is Craig Kielburger Secondary School which will see a slight adjustment in its bell times: 8 a.m.-2:34 p.m. to address safety concerns with the nearby French Catholic elementary school.

Oakville trustee Kelly Amos voiced concern that no adjustment was made for delayed starting times for high school students, to accommodate teen sleep patterns which conflict with early bell times.

"To do what's best for students and have them all learn the best, we have to try and make some accommodation at some point," said Amos.

Up to 40 schools could be impacted by one high school bell time change, so it's a more complex process, said Roxana Negoj, Superintendent of Business Services.

With the bell time changes there is an anticipated savings of almost \$500,000.
