This is just the Beginning!

Let's go with what we know!

- 🐾 I get to choose my attitude every day!
- 🐾 If life was a book, this is one chapter. I get to write the next chapter in my book!
- 🐾 New beginnings are new learning opportunities
- 🐾 I am prepared for new challenges, even if I do not feel prepared, I am prepared!
- 🐾 I will be humble, kind, and serve my community well.

On behalf of Christ the King Catholic Secondary School, thank you for your contributions to our Athletic Program.

We wish you well
We wish you continued success
We wish you happiness and good health

"If your heart is in your work and it's honest and good, keep going!"

Congratulations & Thank You!!
