Halton Hills is open for business. The Town has implemented over 20 new and modified initiatives to expedite economic recovery as well as to remain competitive.

These initiatives are part of the Economic Recovery Action Plan and follow the province's announcement to allow Halton Region to move to Stage 2 of the reopening framework.

"The success of Halton Hills' businesses is key to the municipality's ability to deliver services that are critical to the well-being of our community," Mayor Rick Bonnette said.

The Action Plan includes short-term actions to support immediate recovery efforts, complemented by Investment Growth Actions, which will help sustain economic growth over the longer term, including:

- The "Al Fresco in the Hills" temporary patio program
