The Town of Halton Hills clarified which businesses can reopen under the new provincial regulations.

More than a dozen Halton Hills businesses have been a part of the Town's 'Al Fresco in the Hills' program. Developed by the Town, in collaboration with the Economic Support and Recovery Task Force, Al Fresco in the Hills provides eligible establishments with opportunities to create additional temporary outdoor dining capacity during the COVID-19 pandemic.

"As businesses slowly begin to reopen, the focus of the Town and the Economic Support and Recov-

ery Task Force has shifted to supporting an economic restart while recognizing public health as the top priority," Mayor Rick Bonnette said.

The program is taking a two-phased approach to allow businesses time to adjust their operations. The first phase was a temporary patio program launched in June, with temporary patios permitted until Oct. 31, 2020.

Phase 2 will provide more outdoor dining opportunities in larger public spaces and accommodate takeout patrons by encouraging them to dine downtown in a safe manner.

To apply for Al Fresco in the Hills, contact the Town's deputy clerk at valeriep@haltonhills.ca.

Leathertown Lumber COVID-19 Store Policy

June 18, 2020

WE ARE NOW OPEN!
Monday to Friday 8am-4pm

Leathertown Lumber would like to thank all of our customers for their patience during the first phase of the Covid-19 pandemic. An increase in demand and new hurdles in the processing of orders has resulted in increased lead times which we know have been frustrating. Thanks again for your patience.

At this point we are announcing the reopening of the store following the guidelines put forth by the government of Ontario. Strict physical distancing will be in effect, along with reduced store capacity. Please be patient and kind to our staff who have worked very hard to make the last three months work for you.
