

Local news has a place in Georgetown & Acton.

TheIFP.ca

At a time when **over 60% of Canadians are worried** that false information is being used as a weapon, now's when trusted local reporting matters most.

The Georgetown-Acton Independent speaks for the community. We are local journalists, reporting and investigating stories in the neighbourhood. We bring an authentic voice to the Georgetown & Acton communities. And there's nothing fake about that.
