Thomas Frazier, a local tailor, built this wood-frame structure on Main Street in Glen Williams circa 1847, where he operated a general store. Timothy Eaton, founder of the T. Eaton Co., had his first job in Canada here in 1854. The building was subsequently Reeve & Clarke Books and is currently a real estate office. ing Centre. I suggest you call first.

Life is not as usual at our centre, but slowly things are opening up — with limited numbers allowed in each activity. Please be patient when you arrive. The staff have to ask all the contact tracing questions and

enter them into a computer.

This is necessary for the centre to remain open. Remember, patience is a virtue. Of course, wearing a mask is mandatory, along with physical distancing.

During this period of five months, several members have passed. To the families of all, we extend our condolences for their loss, and a loss for us as well.

It was another successful clothing sale, exceeding

our goal. Thanks to all who brought and came to purchase clothing. We look forward to next year's sale.

The Camera Club is preparing for its first outing Wednesday, Sept. 9. Those interested can get more information by calling the centre. If you are interested, I am sure they would welcome you to join them.

Every Wednesday, the Computer Club meets at 1 p.m. This is not an instructional class, but rather an

opportunity to get help from the other members.

Our fantastic library is open every day during centre hours from 9 a.m. to 3:30 p.m. There is a vast selection of topics to choose from. Reading has been a great way to pass the months of isolation.

French and Spanish lessons are returning. French will be held at the centre, while Spanish will be taught via Zoom. Again, you will need to call the centre to sign up and pay.

Every Friday at 10 a.m. is loonie movie time. If you want to know the name of

the movie, call ahead to the office at 905-877-6444. Bring your own snack and drink.

Staff and members truly appreciate your thoughtfulness and want to thank all those who have made donations to the centre. We will get through this time, and a new day will be born.

The centre will be closed Monday, Sept. 7 for Labour Day.
