

Overnight Parking Restriction

Uniform Traffic Control By-law No. 84-1 prohibits parking on any highway between: 2-6 a.m., November 15, 2020 to April 15, 2021

Snow Removal

The Town's Obstruction, Encumbering or Fouling of Highways By-law No. 2019-0008 prohibits the improper removal of snow. Avoid placing/pushing snow onto or across roadways and cleared sidewalks as it will obstruct/encumber pedestrian and vehicular traffic.

To read the full by-law, visit haltonhills.ca/bylaws

Improper snow and ice clearing can be a serious hazard to motorists and pedestrians. Your co-operation is requested to ensure the safety of residents and commuters.

Be alert for snowplows and stay back a minimum of 15 meters when behind the trucks.

Parking

Please avoid parking on streets during snowstorms to assist Public Works staff with winter control. On-street parking hinders snow clearing and other road maintenance operations.

The overnight parking restriction applies to all streets under the jurisdiction of the Town of Halton Hills, unless authorized signs indicating otherwise are specifically posted.

Motorists are reminded that By-law No. 84-1 also prohibits the parking of a vehicle on all Town or Regional Roads for longer than six consecutive hours at any single location, unless otherwise specifically posted.

AUTHORITIES MAY HAVE SNOW AND ICE REMOVED
AT THE PROPERTY OWNER'S EXPENSE

AUTHORITIES MAY ALSO HAVE VEHICLES TICKETED OR
TOWED AWAY AT THE OWNER'S EXPENSE.
