

# ADOPT A PET

## ADOPTABLE PETS OF THE WEEK...

### Busy is Busy

Busy is a young energetic girl with lots of personality. She needs experienced cat people to read her messages, her body language clearly indicates her wishes. Busy is not vocal in her requests; instead she squirms to indicate it is time to be put down or let go. If she is restrained, her paw comes up for a pretend swat. Her new family should have adults/teens with time to return her affection and engage her in activities.

The outdoors intrigue her and if not watched she will follow people outside but she does not rush to an open door. Her foster family is working on dissuading her from venturing outside. Busy also follows people around indoors, interested in everything they do and of course waiting for long strokes or head scratches. She is not intent on eating their food, instead just curious about what it is. She will obey and leave countertops, especially if a toy is tossed to distract her. At night she goes to bed with her people, receives some attention then curls up at the bottom of the bed until the first person is awake, then it is chin scratches and tummy rub time.

She is tidy with her food area and litter box and Busy does not overeat or ask for treats. It is advisable to trim her nails when she is tried and be prepared to provide many neck scratches. Or if the birds and squirrels are active, she will intently watch them while her nails are done.

Busy doesn't mind other cats in her home

submitted photo

as long as they don't invade her personal space or take her toys. She could live with elderly cats and not pester them. She could also be the only cat in a busy home without a lively dog. If there is little action in her home, Busy has some imaginary friends that she plays with. She bats toys and runs off in sprints then returns to engage her toy again or she runs, pretending to be chased. Busy enjoys interacting with people and could easily learn games.

The \$160.00 cash adoption fee for Busy includes her spay, microchip, parasite treatments and a bag of food. Please view [www.NHKR.ca](http://www.NHKR.ca) Home Page will provide details on how to adopt Busy and the other felines available. Or call Barb 905-873-8547.
