We've reviewing our Regional Official Plan Get involved and have your say!

Over the past few months, Halton Region has been engaging with our community as we review the Regional Official Plan. to ensure it continues to meet the needs of our community today and in the years ahead. Thank you to everyone who has provided input so far!

Supplemental Discussion Paper

We are looking for feedback on a new supplemental discussion paper about the Major Transit Station Area and Urban Growth Centre in Downtown Burlington. The Region has been working with the City of Burlington to reconsider the Major Transit Station Area designation and to examine options to adjust the Urban Growth Centre boundary to generally align with lands around the Burlington GO Station.

Virtual Public Information Centres (PICs)

Join us at a virtual PIC on this supplemental Discussion Paper online or by phone at the day and time that works best for your schedule. The same presentation will be given at the beginning of each meeting and will be followed by a Question and Answer period. To join a meeting:

- **Online:** Visit halton.ca/ropr on the date of the PIC to access the Zoom webinar.
- **By phone:** Call **1-855-703-8985 (Toll Free)** and use the meeting IDs below. Those joining by phone are not to submit questions live during the meeting—please email ropr@halton.ca or call 311 to submit questions in advance of the PIC. You can check halton.ca/ropr closer to the meeting to download a copy of the presentation in order to follow along.

Georgetown Hospital Foundation Board of Directors Opportunity

The Georgetown Hospital Foundation partners with our community to build awareness and inspire giving to raise funds for essential equipment and services for Georgetown Hospital. Many people do not realize that new and replacement hospital equipment purchases are not covered by the government and are instead funded by generous donations from members of our community.

Georgetown Hospital is one of the three community hospitals of Halton Healthcare, an award-winning healthcare organization in the growing urban and rural communities of Halton Hills, Milton, and Oakville.

The Georgetown Hospital Foundation is seeking enthusiastic community-minded volunteers interested in helping guide and lead the Foundation through its next exciting phase. Experience in fundraising, formal education in governance, and other transferrable skills (e.g. marketing, human resources, finance, legal) are all considered assets.

The catchment area for Georgetown Hospital is quite diverse, encompassing Halton Hills and west Brampton; we want our Board to reflect the area's diversity. We are especially interested in connecting with community leaders from Brampton who are inspired by the benefits a thriving hospital contributes to their community. Generally, new volunteers serve for one or more years on a sub-committee before joining the Board of Directors.

The Director role provides excellent exposure to the healthcare system, strategic fundraising initiatives, progressive board governance and the opportunity to network with experienced and professional board and management level executives.

To apply, please e-mail a letter of interest with either a resume or current LinkedIn profile to the address below **by December 9, 2020**. To have a confidential conversation, please contact:
