

Join the Town of Halton Hills for the **Low-Carbon Transition Strategy Open House** December 1, 2020, from 6:30 to 7:30 p.m. via Zoom

The Town of Halton Hills is developing a Low-Carbon Transition Strategy, establishing the actions needed to achieve the 2030 net-zero carbon target set out in the Climate Change Emergency Declaration.

Join us for a brief presentation where we'll break down timelines, resources and next steps as we work towards reducing Green House Gas (GHG) emissions in Halton Hills & becoming a net-zero community. Door prizes will be drawn for participants.

**Register for the Low-Carbon Transition Strategy Open House by visiting the Low-Carbon Transition Strategy project page on [letstalkhaltonhills.ca](http://letstalkhaltonhills.ca). Look for the registration link under the 'Key Dates' section.**

► OPINION

# A MUCH DIFFERENT REMEMBRANCE DAY

**DAVID MALONEY**  
Column

November 11 was a quiet, muted affair, with no cadets or schoolchildren present.

Not surprisingly, people still gathered to watch the executive and selected team of ceremonial participants attend to their duties. We say thank you to all who attended and to the respectful way you acted. All wore masks and all kept their distance.

Thank you also to Acton for the way you responded to our poppy drive. The enthusiasm shown by the local community was amazing, including local businesses, like Sweet Molly's and Red Harp, that sold our merchandise, schools and individuals who had fund drives and, of course, the Legion team — pulled together by Billy Mathers — who got the boxes out there and counted the returns.

Another team of outstanding volunteers helped Lynda Fischer put together the drive-by Swiss Chalet dinner, which was enjoyed by 173 people. The drive-by went smoothly, and Lynda is grateful to the team who responded to the call for help.

We hope to do another curbside (or Kerbside) pickup dinner soon.

Peggy tells me that we received many entrants for this year's Remembrance Day art and poetry competition, with many excellent entries. We will post the names of all the winners on social media. A new shipment of Legion masks has arrived. Call me at 519-853-8224 if you'd like one.

Please check the webpage at [legion197.com](http://legion197.com), and in addition we will be posting information on Facebook.
