

This holiday season needs to be different.

The safest way to celebrate indoors is only with the people who live in your home. People who live alone can get together only with one other home.

Gatherings with friends and extended family can carry an increased risk of getting and spreading COVID-19. Consider celebrating outdoors or virtually with others that are not part of your household.

Know the gathering limits in your area before you choose to entertain with family and friends indoors. Indoor gatherings are not permitted in regions in Grey - Lockdown.

For all gatherings with anyone you do not live with:

- maintain 2 metres physical distance
- wear a face covering
- avoid potlucks or shared utensils
- ensure everyone washes hands regularly, including before and after meals

Self-isolate if you are sick, even if your symptoms are mild and ask guests to stay home if they feel unwell.

Follow provincial and local public health advice to keep you and your loved ones safe this holiday.

Stopping the spread, starts with you.
